The FICO credit score which ranges from 300 to 850 is made up of five main categories:

- Payment history, 35 percent
- Amounts owed, 30 percent
- Length of credit history, 15 percent
- New credit, 10 percent
- Types of credit, 10 Percent

As you can see from the FICO score makeup, the single most important thing is credit history – so here's a credit tip – pay your bills on time. It's why making on-time payments is such a crucial piece of credit repair.
